Dear Parent/Carer

### **Year 11 Mock Examination Results**

As you are aware, your child has recently sat their mock GCSE examination. We will be issuing the outcomes on **Tuesday, 04 February 2017** during period 6 and hope that you will find the results helpful in shaping conversations with your child around preparations for the actual examinations in May/June this year.

We are looking forward to discussing your child's performance with you during the Year 11 Parents evening on **Monday, 27 February 2017**. In the meantime, your child has been issued with an intervention timetable outlining all available intervention sessions throughout the week. Please encourage your child to attend these on a regular basis. A copy can be found on the David Nieper Academy website in the parent section. We have also provided your child with a revision calendar to help scheduling daily revision sessions. Your child had been given the opportunity to fill in the calendar in school, however, should you need an additional copy, please refer to the parent section on the website.

Yours sincerely

Mrs A Maes-Prior  
Interim Deputy Headteacher
