The new David Nieper Academy is one of Derbyshire's most ambitious and innovative schools. In September 2016 our school started a new chapter with a new name, a new sponsor, a brand new £15 million school building and a smart new uniform subsidised by our sponsor, with parents only required to make a £15 contribution.

Our Sixth Form opened in September 2017, giving our 16+ students the opportunity to take a business focused qualification which has the potential to open doors in a variety of career paths.

We look forward to welcoming you.

Dr Kathryn Hobbs, Headteacher
