Dear Parents/Carers

### **September Wales Outward Bound Trip - Postponed**

Due to the current situation, we have taken the decision, together with the Outward Bound Trust, to postpone the Outward Bound residential trip to Wales which was scheduled for September this year. This trip will now take place next Spring, likely to be at the beginning of March.

If you have already paid any money towards the trip in September, this will be carried forward for the visit next year. You are not required to make any other payments at present. The original payment schedule no longer applies and a new one will be issued in due course.

The Parents' Information evening will be rescheduled for either July or September. Details to follow.

If you have any further questions, please contact me via email [fbarclay@davidnieper.academy](mailto:fbarclay@davidnieper.academy) please put "Outward Bound" in the subject heading.

Yours faithfully

Miss F. Barclay  
Progress and Achievement Leader KS3
