Dear Year 11 & 13 students and parents

I hope that you are all keeping well.

We have now had further information from the government about how grades are to be awarded for GCSE and A level. We are still awaiting guidance on awards for BTEC and other vocational qualifications but we have been advised that they will take a similar approach and we will have the detail soon. We will share it with you as soon as we have it.

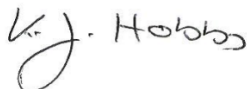

Teachers are starting to look at all of the guidance and we will be ensuring that we have a robust process in place to meet all of the requirements.

I have attached the Ofqual Letter to students as this is a very clear guide to what will happen.

We will be in touch after Easter with more information however I do believe that the government have created a system which is as fair as it can be.

Please continue to look after yourselves.

Yours sincerely
