

# Year 7 Catch Up Funding

## Context

David Nieper Academy was established in September 2016 as the flagship school of the David Nieper Education Trust. The Academy is unique in that it is the first school in Derbyshire to be backed by a local employer – David Nieper Limited and is closely linked to four other employer partners: Owen Taylor and Sons Ltd, Bowmer & Kirkland, People for Places and Denby Pottery. The Academy offers an all-inclusive, non-selective 11-18 curriculum, alongside a growing range of co-curriculum and sporting activities.

The Academy's mission statement is to 'develop the leaders and achievers of the future' by bringing the workplace into the classroom and offering a curriculum that celebrates both the academic and the vocational. We have high aspirations for our pupils and believe that no pupil should be disadvantaged due to their background – it is possible for every child to 'aspire, endeavour and succeed'.

## Background to Year 7 Catch Up Funding

The literacy and numeracy 'catch up' premium is a government initiative, to provide additional funding to support Year 7 pupils who did not achieve the expected standard in reading or maths at the end of Key Stage 2 (KS2).
