Dear Parent/Carer

Year 7 School Based Flu Immunisation Sessions

Public Health England have decided that from September 2020 Year 7 (only) students will be offered the nasal flu vaccination in school. This is part of a nationwide effort to vaccinate more people against the flu than ever before.

For the past year we have used an e-consent system for vaccinations which we continue to use. When completing the e-consent, please state the year group your son/daughter will be in at the beginning of the school year September 2020.

Please visit <https://www.derbyshireandcityimms.co.uk/forms/flu> to complete the consent form. The option to consent or decline the vaccination is at the end of the questionnaire so please complete even if you do not want your son/daughter to have the vaccination.

The unique school code for **David Nieper Academy** is **DD142405**

For more information about the vaccination please visit
<http://www.derbyshireschoolnurses.org.uk/parents/immunisations/immunisation-dates>

At the present time we believe that flu vaccinations will take place on Friday 6 November 2020. It is unlikely that the school nurses will be able to run 'catch-up' clinics this year so please make sure that you complete the consent form before this date.

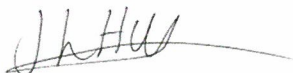

If you experience any problems with the e-consent system please call the School Age Immunisation Team:

Clay Cross: 01246 252953

Or email DCHST.immunisationteam@nhs.net

Yours faithfully
