

Trust partnership between David Nieper Academy and Stonebroom Primary School as part of David Nieper Education Trust (DNET)

Time scale 18 months from the 1st of June 2022

Objectives of the relationship:

1. To develop relationships across the schools to the mutual benefit of all parties supporting the progress of pupils. To include SLT, Governors, key subjects of Maths, English and Science with a focus on Early Help, Safeguarding and Pupil Premium.
2. To share relevant CPD between both schools developing a bespoke programme once key themes have been identified.
3. To develop effective working practices in Early help and Safeguarding.
4. To identify any other areas where shared working and pooled resources would be mutually beneficial and plan to align these where appropriate.
5. To develop a shared Forest School expertise and resources.

What the offer will be:

1. Shared CPD offer across both schools
2. Time for the Headteachers and Deputy Headteachers to start to work together for mutual support and development
3. Joint working Maths
4. Joint working English
5. Joint working Science
6. Joint working in Early Help and Safeguarding

Expectations of what each party will bring and expect from the arrangement:

1. Mutual help and support.
2. Shared expertise and resources
3. Develop joint collaboration to support Multi Academy Trust growth as soon as permission is given.

Any hidden costs:

1. Headteachers to plan a regular meeting
2. Deputy Heads to plan a monthly meeting
3. Joint planning time for staff action plan to be created at the start of the academic year.
4. Joint contribution for MAT growth
5. Joint contribution for CPD budget

Continual professional development opportunities:

1. Both schools to share planned CPD opportunities for next year – to be open to all staff with key individuals identified and asked to attend certain events.
2. David Nieper Academy to offer Leadership Development programme for all staff – six 2 ¼ hour after school sessions to include refreshments and tea across the academic year.
