Dear Parents/Carers

Year 11 Revision and Sixth Form open evening - Wednesday 12 October, 5.00-7pm

In response to parental feedback, we have decided to merge our Year 11 Revision evening and our Sixth Form open evening.

A presentation will be held at 5pm in the Main Hall, and repeated at 6pm, where we will share with parents and carers the upcoming events and opportunities planned to support our Year 11 pupils towards success in their final exams. Furthermore, we will be sharing vital information about how you can support your child throughout this crucial time. This will include supporting their organisation, independent study, and physical and mental health.

Additionally, the evening will provide the opportunity to speak with academy staff and find out about the exciting A-level and BTEC courses which are on offer for enrolment in September 2023. Our new prospectus will be available on the night, detailing further the courses available which have the potential to open doors in a variety of career paths. All courses include the opportunity for employer engagement which allow students to apply their learning in a real-world context.

The information related to revision is essential, and regardless of their post-16 intentions, we expect pupils to thoroughly research all available options, and have at least one back-up plan. Consequently, we would like **all** Year 11 pupils and their families to attend and will be entering all Year 11 pupils who attend into a raffle for a **£100 Amazon voucher**.

We do hope that you and your son/daughter are able to join us for this important evening. Please complete and return the reply slip below so that we are able to plan and cater for the correct number of people.

Yours faithfully

Mr Richard White
Deputy Headteacher
