9th May 2023

Parents of Year 11 Pupils

Dear Parent/Carer

Information for Year 11 GCSE examination period

The final Year 11 exams begin on Monday 15th May and conclude on Wednesday 21st June. Throughout this time, lessons will be providing pupils with the time, resources, and support from subject specialist teachers to help maximise their achievements.

As subjects complete their final exams, pupils will have time in those lessons to revise for other subjects, so they should bring revision materials with them. However, it reaches a point where most exams have concluded, and pupils feel that they can prepare better for their remaining subjects at home. Therefore, pupils will be allowed to take study leave from **Monday 12th June**. From this point onwards, pupils must attend school to take examinations but will then be allowed to leave. Additionally, pupils will need to attend revision sessions for remaining subjects on the following dates and times.

Date	Periods	Subject
Monday 12 th June	P4 and 5	Science (Chemistry)
Monday 12 th June	P6	DT
Tuesday 13 th June	P3 and 4	Maths
Wednesday 14 th June	P3 and 4	Science (Physics)
Thursday 15 th June	P3 and 4	Science (Physics)
Thursday 15 th June	P5	Food and Nutrition/Hospitality
Friday 16 th June	P4	DT
Monday 19 th June	P4	Food and Nutrition/Hospitality

Pupils will need to attend for exams and revision sessions wearing full uniform and will be able to continue to use our school buses as normal.

We wish all our Year 11 pupils the best of luck for their GCSE examinations. Should you have any further questions regarding arrangements or how to support your son/daughter, please do not hesitate to contact us.

Yours sincerely
