Dear Parent / Carer,

YEAR 11 GCSE & VOCATIONAL EXAMINATIONS 2023-2024

As you know, your child's second year of GCSE and vocational courses is now well underway. You should expect your child to sit external and mock examinations throughout this year, as outlined in the table below. Individual exam timetables for each series will be issued in due course, depending on your child's entries.

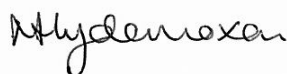

Examination series	Dates
Autumn 2023 Y11 mock examination series	w/c 20 th November & w/c 11 th December 2023
Winter 2024 external examination series	5 th January to 27 th February 2024
Summer 2024 external examination series	2 nd May to 25 th June 2024
Summer 2024 JCQ contingency days	6 th June, 13 th June, 26 th June 2024
Summer 2024 GCSE results release day	22 nd August 2024
On-demand testing may take place for some courses outside these series	

It is important that your child is encouraged to revise for each examination, and you must avoid taking holidays in term time as good attendance is very important. Your child must not miss any examinations or internal assessments, which are assessments completed in lesson under strict conditions, forming a key part of each qualification.

David Nieper Academy has high expectations, and we expect our students to work hard in fulfilling their potential. Their courses involve a great deal of hard work and commitment and will establish a good base for success in the worlds of work and further education. This is an important stage in your child's education, and we are confident that if we all work in partnership, these young people will achieve their goals.

Please contact the Academy if you have any queries about your child's examinations. You can also find important information in the Exams section on the Academy website: <https://davidnieper.academy/pupils/examinations/>

Yours sincerely,

Mrs. Hyde-Moxon
Examinations Officer
